

Dog Walkers' Code

Clean up your dog mess.

Please pick it up and put it in the bin provided. If for some reason you are unable to do this, at least get a stick and flick it off the path.

You are responsible for your dog at all times.

Only take your dog off the lead if it can be effectively controlled and you are confident other visitors will not be concerned.

No more than four. Please follow the common advice that no-one should be in charge of more than four dogs.

Thank you for your co-operation
